How the insurer will deal with your claim

- 1) If **your** claim for loss or damage is covered under section 1, the **insurer** will pay the full cost of repair as long as:
 - the **buildings** were in a good state of repair immediately prior to the loss or damage and
 - the **sum insured** is enough to pay for the full cost of rebuilding the **buildings** in their present form and
 - the damage has been repaired
 - The claim is settled through a preferred supplier. Cash settlements may be available but will be reduced by any preferred supplier discounts

The **insurer** will guarantee repairs to the **property** undertaken as a result of a claim from unsatisfactory workmanship for a period of 12 months from the date that the claim was settled.

If the **buildings** were not in a good state of repair the **insurer** will deduct an amount from your claim.

- 2) The **insurer** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.
- 3) The **insurer** will not reduce the **sum insured** under section 1 after **they** have paid a claim as long as **you** agree to carry out **their** recommendations to prevent further loss or damage.
- 4) If **you** are under-insured, which means that cost of rebuilding or repairing the **buildings** at the time of the loss or damage is more than **your sum insured** for the **buildings**, then the **insurer** will only pay a proportion of the claim. For example if **your sum insured** only covers one half of the cost of rebuilding or repairing the **buildings**, the **insurer** will only pay one half of the cost of rebuilding or repair.

Important Information

Basis of application and cancellation details

What you have told us

When taking out, renewing or changing **your policy**, **you** must take care to provide accurate and complete answers to all questions we **ask**. **Your policy** is based on **your** answers which are summarised within **your statement of fact**. If **you** deliberately or recklessly withhold or misrepresent information, **insurers** are entitled by law to decline claims and to cancel **your policy**. It can also lead to criminal prosecution.

Changes in circumstance

You must tell **us** immediately of any changes that affect what **you** have told **us**; for example, if **you** move house or if anything happens to change the use, the nature or the amount of cover required. Remember if **you** are underinsured (if the amount **you** have chosen to insure is less than the amount to reinstate **your buildings, contents, valuables** and **personal possessions**) **you** will only be paid a proportion of any claim **you** might make.

Basis of advice

Please note **we** do not provide advice on how much **you** should insure **your buildings** and **contents** for. Any information or suggestions **we** offer are only to assist **you** in making **your** own choices on the sections and amount of cover **you** require.

Cooling off period

You are entitled to cancel this **policy** by contacting **us** within 14 days of either the date **you** receive **policy** documentation, or the date **you** purchased **your policy**, whichever is the latter.

If **you** have not made a claim, **we** will refund **your** premium in full. **We** reserve the right to retain any arrangement fee charged or to charge fees to cover our costs which may be deducted from any refund due. Please see the document: "Important Information About Our Insurance Services" for details of fees that apply.

Notice on information sharing

Insurers and their agents share information with each other to prevent fraudulent claims and to assess whether to offer insurance (including the terms) via the Claims and Underwriting Exchange Register, operated by Insurance Database Services Limited. A list of subscribers is available upon request or visit www.cueuk.org for more details.

During **your** application, the register may be searched and in the event of a claim, the information **you** supplied and other detail relating to the claim may be put on the register and made available to subscribers.

Cancellation and fees

- 1) If **you** wish to cancel **your policy** after the cooling off period, **you** can do so at any time by contacting **us**. If **you** pay **your** premium annually, a pro-rata refund will be made depending on how long the **policy** has been held unless a claim has been made. If **you** pay monthly, the cancellation will take effect from the end of the period for which **you** have paid and no refund will be due. If a claim has been submitted or is due within the **period of insurance**, no refund will be made. This does not affect **your** right to claim for events prior to cancellation whether **you** receive a refund or not. Details of non-refundable cancellation or administration fees are contained in the document entitled: "Important Information About Our Insurance Services".
- 2) **We** or the **insurer** have the right to cancel **your policy** by giving 30 days written notice at **your** last address. Reasons may include, but not be limited to, non-payment of premium, changes which make the risk unacceptable, **we** discover that **you** have provided **us** with incorrect information, or **we** learn of aggressive behaviour to **our** staff. Where possible we will try to resolve the matter first. If we cancel the **policy**, **we** will refund premiums on a pro-rata basis depending on how long the **policy** has been held. If a claim has been submitted or is due within the **period of insurance**, no refund will be made. This does not affect **your** right to claim for events prior to cancellation whether **you** receive a refund or not.
- 3) If we are unable to collect **policy** fees, charges, or premiums due to **us** under the terms of **your policy**, **we** will take steps to contact **you** to collect the outstanding sum(s) before exercising **our** right to cancel. If **we** are unable to resolve the situation, **we** reserve the right to engage the services of a debt collection agency. **You** would then be required to pay all further charges incurred in relation to collection of the debt, in addition to the original sum(s) owed.
- 4) If any party to this insurance cancels all cover under Sections 1 to 6 at any time during the **period of insurance**, **we** will automatically cancel additional cover options (for example, legal expenses or home emergency cover) that appear on **your** latest **schedule**. If cancellation occurs outside the cooling off period no refund will be due in respect of the additional cover options and **you** will still need to pay the full annual premium for those cover options if **you** have not already done so.
- 5) If any party to this insurance cancels any of the additional cover options outside the cooling off period but cover under Sections 1 to 6 continues, no refund will be due in respect of the additional cover options and **you** will still need to pay the full annual premium for them if **you** have not already done so.
- 6) For details of **policy** fees please refer to the "Important Information About Our Insurance Services" document.
